

The image features a close-up, slightly blurred background of a lush green grass field. In the center-left, there is a dark green, rounded rectangular logo. The logo contains the text "GrassLAND™" in a light green, sans-serif font. The word "Grass" is in a lighter shade of green, while "LAND" is in a slightly darker shade. The letter "A" in "LAND" is replaced by a stylized icon of a grass blade with a small green plant growing from its base. A small "TM" trademark symbol is positioned to the upper right of the word "LAND".
